Introduction

PETRONAS Group has adopted a zero tolerance policy against all forms of bribery and corruption. The PETRONAS Code of Conduct and Business Ethics (CoBE) and PETRONAS Anti-Bribery and Corruption Policy (ABC Policy) sets out PETRONAS' core principles in this regard while the PETRONAS Anti-Bribery and Corruption Standard (hereinafter referred to as the "Standard") elaborates upon those principles, providing guidance to employees concerning how to deal with improper solicitation, bribery and other corrupt activities and issues that may arise in the course of business.

This Standard will apply not only to all employees and directors within the PETRONAS Group worldwide, but to our contractors, sub-contractors, consultants, agents, representatives, and others performing work or services for or on behalf of PETRONAS Group as well. In particular, the Standard expressly prohibits improper solicitation, bribery and other corrupt activity not only by employees and directors but also by third parties performing work or services for or on behalf of companies in the PETRONAS Group.

This Standard is not intended to provide definitive answers to all questions regarding bribery and corruption. Rather, this Standard provides a basic introduction to how PETRONAS combats bribery and corruption in furtherance of the Group's commitment to lawful and ethical behavior at all times. Some of the guidelines are designed to prevent situations in which bribery and corrupt practices may take root.

If you have any doubt about the scope of applicable laws or the application of the Group's policies concerning the fight against bribery and corruption, you should contact your relevant Legal Compliance Department immediately.

"ALWAYS ASK WHENEVER IN DOUBT"

Adherence to this Standard is essential, as it reflects PETRONAS' unwavering commitment to upholding the highest standards of integrity, ethical behaviour and professionalism in all its operations. This Standard embodies PETRONAS' Shared Values and principles that are the cornerstone to how we do business.

Any conduct that contravenes the principles set out in this Standard will be dealt with according to Part IV of the CoBE and other applicable local laws. Possible consequences include dismissal, fines and imprisonment.

Moreover, the company may face damage to its reputation, financial losses, disbarment from business and other negative ramifications.

Part 1: Application and Definitions

1A: Application

1. This Standard is intended to apply to every employee of every PETRONAS group company worldwide. It is also intended to apply to every director (executive and non-executive) for those companies, except as otherwise stated in this Standard. Your failure to comply may have severe consequences to PETRONAS and may result in disciplinary action against you, or even your dismissal from PETRONAS, subject to the requirements of applicable law.
2. This Standard applies to you in your capacity as a third-party conducting business with PETRONAS and PETRONAS requires the same level of integrity and business conduct from you, whether you are engaged as an agent, an intermediary, engaged to provide goods and/or services for, jointly with or on behalf of PETRONAS or as a counterparty in a business transaction with PETRONAS. This Standard also applies to the contingent workforce, such as interns, apprentices, proteges, gig workers and volunteers. "Third Parties" refer to both individuals and corporate entities including but not limited to director, officer, employee, agent, consultant, nominee, representative, licensee, adviser, sub-contractors, any service provider. Your failure to comply may have severe consequences for both PETRONAS and yourself, and may result in PETRONAS requesting you to take remedial steps to remedy a breach, or even suspending or terminating the business relationship with you and seeking to enforce any other contractual right we may have against you for breaching this Standard.
3. Joint venture companies in which PETRONAS is a non-controlling stakeholder and associated companies are encouraged to adopt this standard or similar principles and standards.
4. If you have any concerns, you may raise your concern through the accessible channels for reporting concerns and grievances as provided by PETRONAS. Please refer to the PETRONAS and/or other subsidiaries' website for the relevant reporting channels. Please also refer to our Whistleblowing Policy available on PETRONAS website for further information.
5. This Standard is prepared in both English and Bahasa Malaysia and may appear in other languages. In the event of any conflict, the English version will prevail.
6. This Standard is implemented worldwide in a phased roll out, commencing with its entry into effect for Malaysian group of companies on 1 April 2026 ("Effective Date"). In that regard, it replaces the previous PETRONAS Anti-Bribery and Corruption Manual. Any misconduct committed before the Effective Date of this Standard will be dealt with under the previous PETRONAS Anti-Bribery and Corruption Manual (or other applicable policies and terms and conditions of service) in effect for your company at the time of the misconduct.

7. If there is any conflict between the law and the rule or policy set out in this Standard, you should comply with the law. However, if there is any conflict between the local custom or policy with this Standard, you are called upon to comply with this Standard. If you perceive that a provision of this Standard conflicts with the law in your jurisdiction, you should consult with your HoD, HR Department, the Legal Compliance Department (LCD), or your PETRONAS contact person (as the case may be) rather than disregard this Standard without consultation.
8. This Standard does not identify or set out every law, policy or procedure that may apply to you in the performance of your role. You are responsible for informing yourself concerning all laws and other PETRONAS policies and procedures that apply to you as a result of your role with PETRONAS. This Standard does not constitute legal advice.
9. This Standard does not seek to address every situation you may encounter in the course of your employment and in conducting business with PETRONAS. Explanatory statements or examples set out under this Standard may or may not be applicable to your situation / relationship / arrangement with PETRONAS and act to serve as guidance only. This Standard is not a substitute of your own duty, responsibility, and accountability to comply with all laws applicable to you or your business, nor a substitute of your good judgment in exercising discretion and making business decisions.
10. PETRONAS reserves the right to modify, revise, cancel or waive any policy, procedure or condition without notice and without revision of this Standard. Moreover, the provisions of this Standard may be modified by PETRONAS to adapt them to local laws and conditions. PETRONAS expects that waivers would only be granted in exceptional circumstances and then only in keeping with applicable law and PETRONAS' policies and procedures. This Standard may be implemented through a handbook or contract terms and conditions, or similar manual or document, which may address additional matters beyond the scope of this Standard.

1B: Definitions

The expression “PETRONAS” or “Company” is used for convenience where references are made to PETRONAS companies in general. Part 2: Gifts, Entertainment and Corporate Hospitality

2A: “No Gift” Policy

1. PETRONAS has adopted a “No Gift” Policy whereby, subject only to certain narrow exceptions, PETRONAS employees and directors, their family/household members or agents acting for or on behalf of PETRONAS are prohibited from, directly or indirectly, receiving or providing gifts.
2. You shall abide by the “No Gift” Policy to avoid conflict of interest or the appearance of conflict of interest. Gift and entertainment provided during an on-going or potential business dealings between PETRONAS and external parties can be perceived as creating a conflict of interest, or even potentially a bribe. This may tarnish PETRONAS’ reputation or be in violation of anti-bribery and corruption laws.
3. As set out in the PETRONAS Code of Conduct and Business Ethics (CoBE), a conflict of interest arises in a situation in which an individual is in a position to take advantage of his or her role in PETRONAS for his or her personal benefit, including the benefit of his or her family/ household and friends. This would undermine the duties of good faith, fidelity, diligence and integrity as expected by PETRONAS from its employees and directors in the performance of their duties and obligations.
4. You shall inform external parties involved in any business dealings with PETRONAS that the Company practices a “No Gift Policy” and to request the external party’s understanding for and adherence with this policy.

“No Gift Policy”

Employee

Politely declines gifts

Third Party

Provide gifts or offers to provide gifts

PETRONAS employees and directors their family/household members or agents acting for or on behalf of PETRONAS are prohibited from, directly or indirectly, giving or receiving gifts to avoid conflict of interest or the appearance of conflict of interest.

2A(i): Receiving Gifts

1. The Company is very much aware that the exchange of gifts can be a very delicate matter where, in certain cultures or situations, gift giving is a central part of business etiquette. Despite acknowledging PETRONAS' "No Gift Policy", some external parties may still insist in providing gifts to PETRONAS employees, directors and/or their family/household members and/or agents acting for or on behalf of PETRONAS in certain situations which do not fall within the general exceptions.
2. Although the general principle is to immediately refuse or return such gifts, accepting a gift on behalf of PETRONAS is allowed only in very limited circumstances, whereby refusing the gift is likely to seriously offend and may sever PETRONAS' business relationship with the Third Party. However, an employee, director or his/ her family/household members or agents acting for or on behalf of PETRONAS shall not, in any circumstances accept gifts in the form of cash or cash equivalent.
3. In these limited circumstances, employees shall immediately record the gift in the PETRONAS specified declaration platform or any other form as provided by your Human Resource Department for submission to your HoD who will then decide whether to approve the acceptance of the gift or require it to be returned. Directors should inform the Company Secretary, as soon as reasonably practicable, to seek his/ her advice when faced with a similar situation.
4. Even if it may appear disrespectful to refuse a gift from an external party, nevertheless, if there is a conflict of interest situation (e.g. bidding is in progress and the company that gave the gift is one of the bidders) then clearly the HoD / HR Department/ LCD shall not approve the acceptance of said gift (in the case of directors, the Company Secretary would advise the same). In this situation, **the gift shall be politely returned with a note of explanation about the Company's "No Gift" policy.**

5. In the event the HoD approves the acceptance of the gift, he/she shall determine the treatment of the gift whether to:
 - a. Donate the gift to charity; or
 - b. Hold it for departmental display; or
 - c. Share with other employees in the department; or
 - d. Permit it to be retained by the employee.

6. In determining the above, HoD are expected to exercise proper care and judgment in each case, taking into account pertinent circumstances including the character of the gift, its purpose, the position/ seniority of the person(s) providing the gift, the business context, reciprocity, applicable laws and cultural norms.

Did you Know?

There are certain types of gifts which are never permissible and PETRONAS employees, directors his/ her family/household members or agents acting for or on behalf of PETRONAS shall immediately refuse if it involves the following:

- a. Any gift of cash or cash equivalent. Cash equivalent could be in the form of vouchers, discounts, coupons, shares and commission etc.
- b. Any gifts involving parties engaged in a tender or competitive bidding exercise.
- c. Any gifts that come with a direct/ indirect suggestion, hint, understanding or implication that in return for the gift, some expected or desirable outcome is required ("quid pro quo").
- d. Any gift that would be illegal or in breach of local or foreign bribery and corruption laws.

2A(ii): Providing Gifts

1. Generally, employees are not allowed to provide gifts to third parties with the exception of the President & Group CEO, Executive Vice Presidents, and any other officers identified in the gift and entertainment policy of the respective jurisdictions.
2. PETRONAS prohibits the giving of gifts that are illegal or unduly dangerous or indecent, sexually oriented or inconsistent with PETRONAS commitment to mutual respect or intended to improperly influence someone to take action in favour of PETRONAS or to refrain from taking adverse action against PETRONAS. Gifts of cash are strictly prohibited. You shall not pay for a gift personally in order to avoid obtaining prior approval or to otherwise circumvent PETRONAS policies.

2A(iii): Exceptions to the “No Gift” Policy

1. Although generally PETRONAS practices a “No Gift” Policy, there are certain exceptions to the general rule whereby the receiving and provision of gifts are permitted in the following situations:
 - a. Exchange of gifts at company-to-company level (e.g., gifts exchanged between companies as part of an official company visit/courtesy call and thereafter the said gift is treated as company property);
 - b. Gifts from company to external institutions or individuals in relation to the company’s official functions, events and celebrations (e.g. commemorative gifts or door gifts offered to all guests attending the event);
 - c. Gifts from PETRONAS to employees and directors and/or their family/household members and other associated persons in relation to an internal or externally recognised Company function, event and celebration (e.g. in recognition of an employee’s/director’s and other associated person’s service to the Company);
 - d. Token gifts of nominal value normally bearing the PETRONAS or company’s logo (e.g.t-shirts, pens, diaries, calendars and other small promotional items) or that are given out equally to members of the public, delegates, customers, partners and key stakeholders attending events such as conferences, exhibitions, trainings, trade shows etc. and deemed as part of the company’s brand building or promotional activities; and
 - e. Gifts to external parties who have no business dealings with PETRONAS (e.g. monetary gifts or gifts in-kind to charitable organisations).
2. Even in the above exceptional circumstances, you are expected to exercise proper judgment in handling gift activities and behave in a manner consistent with the general principles set out in the CoBE as per below:
 - Conscientiously maintain the highest degree of integrity.
 - Always exercise proper care and judgment.
 - Avoid conflicts of interest.
 - Refrain from taking advantage of your position or exercising your authority to further your own personal interest at the expense of PETRONAS.
 - Comply with applicable laws, regulations and PETRONAS policies and procedures.

The below depicts the process flow for reporting a gift accepted on behalf of PETRONAS (only allowed in very limited circumstances) whereby refusing the gift is likely to seriously offend and may sever PETRONAS' business relationship with the Third Party.

Exceptional cases (In very limited circumstances and subject to approval)

Approving Authority

To decide on the treatment of the gift, HoD is expected to exercise proper care and judgment in each case and take into account the following:

- the character of the gift
- its purpose
- the positions of the persons providing and receiving the gift
- the business context
- reciprocity
- applicable laws
- cultural norms

YES

Upon approval, HoD shall choose the following options in managing the gift:-

1. donate the gift to charity
2. hold it for departmental display
3. share with other employees in the department
4. permit it to be retained by the employee

The process above is only applicable to Malaysia T&C only.

2B(i): Providing Entertainment

1. PETRONAS recognises that providing modest entertainment is a legitimate way of building business relationships and as such a common practice within the business environment to foster good business relationships with external clients. As such, eligible employees are allowed to entertain external clients through a reasonable act of hospitality as part of business networking as well as a measure of goodwill towards the recipients.
2. In some countries, the act of hospitality through entertainment is a central part of business etiquette. However, this may not necessarily be the case in every country or in all circumstances as it may create a negative perception if observed or known by others despite selfless motives behind the entertainment provided.
3. Employees, directors and other associated persons should always bear in mind that this is an area where perception is often regarded as more important than facts and therefore you should always exercise proper care and judgment when providing entertainment to third parties especially when it involves Public Officials to ensure compliance with local anti-bribery and corruption laws.
4. Employees, directors and other associated persons are strictly prohibited from providing or offering to provide entertainment with a view to improperly cause undue influence on any party in exchange for some future benefit or result. Any acts of this nature, whether provided directly or indirectly through an intermediary, may be construed as an act of bribery and contrary to the general values and principles of the CoBE.
5. PETRONAS prohibits the giving of entertainment that are illegal or unduly dangerous or indecent, sexually oriented or inconsistent with PETRONAS commitment to mutual respect or intended to improperly influence someone to take action in favour of PETRONAS or to refrain from taking adverse action against PETRONAS. You shall not pay for an entertainment personally in order to avoid obtaining prior approval or to otherwise circumvent PETRONAS policies.

6. You are required to comply with the policies and procedures of your HR Department, and maintain expenses within the limits of your entitlement, when carrying out entertainment activities.
7. As set forth in Part IIB section 13 of the CoBE, any entertainment activities that would involve Public Officials shall require the prior approval of HoD in consultation with LCD.
8. Specific rules governing employees' conduct when dealing with Public Officials are set out in greater detail in Part 3 of this Standard. Directors (executive and non-executive) are required to abide by the same rules.

2B(ii): Receiving Entertainment

1. PETRONAS recognises that the occasional acceptance of a reasonable and modest level of entertainment provided by third parties in the normal course of business is a legitimate way to network and build good business relationships.
2. However, employees and directors to exercise proper care and judgment before accepting entertainment offered or provided by a third party. This is not only to safeguard the Company's reputation, but also to protect employees and directors from allegations of impropriety or undue influence.
3. You are required to comply with the policies and procedures of your Human Resource Department in relation to receiving entertainment from third parties.
4. As set forth in Part IIB paragraph 11.2 of the CoBE, you or any of your family/household members shall not, in any event, accept entertainment in exchange for an exercise of non- exercise of your PETRONAS authority, information or any other matter to the detriment of PETRONAS.
5. In these limited circumstances, employees shall immediately record the entertainment received in the PETRONAS specified declaration platform or any other form as provided by your Human Resource Department for submission to your HoD who shall then decide whether to approve the acceptance of the entertainment. Directors should inform the Company Secretary, as soon as reasonably practicable, to seek his/her advice when faced with a similar situation.

Explanatory on eligibility to conduct entertainment activity, reporting and approval process

(Applicable to Group Companies based in Malaysia with standard PETRONAS terms and conditions)

The below chart illustrates the process flow to determine executive employees' eligibility to carry out entertainment activities and reporting an Entertainment Activity (for employees who meet the eligibility criteria to incur entertainment expense).

The process above is only applicable to Malaysia T&C only. For other OPU's with different T&C, kindly refer to your respective HR processes.

Did you Know?

There are certain types of entertainment activities which are never permissible, and shall be immediately refused if it involves the following:

- a. Any entertainment that comes with a direct/indirect suggestion, hint, understanding or implication that in return for the entertainment provided some expected or desirable outcome is required ("quid pro quo").
- b. Any entertainment activities that would be illegal or in breach of local or foreign bribery laws.
- c. Any entertainment activities that would be perceived as extravagant, excessive or may adversely affect the reputation of PETRONAS.
- d. Any entertainment activity that is sexually oriented or may otherwise tarnish the reputation of PETRONAS.

2C(i): Corporate Hospitality

1. Corporate hospitality is generally defined as “corporate events or activities organised by an organisation which involves the entertainment of employees and third parties for the benefit of that organisation”. Third parties may include customers, potential customers, contractors, external companies and any other stakeholders with whom a business relationship, whether current, prospective or historic exists.
2. Corporate Hospitality covers corporate events and activities including but not limited to sporting events, tournaments, conferences, gala dinners or concerts.
3. Corporate hospitality is recognised as a legitimate way to network and build goodwill in business relationships. However, there is a fine line between what is considered to be legitimate against illegitimate forms of corporate hospitality. The question is whether there is any intention to influence or be perceived to influence the improper outcome of a business decision by providing the corporate hospitality.
4. Corporate hospitality would be illegitimate in the following situations:
 - If it provides an advantage to another person if offered; or
 - If it is given with the intention of inducing the person to perform a relevant function improperly; or
 - If there is knowledge that acceptance of the advantage would in itself be improper performance.
5. Transparency International has advocated corporate hospitality arrangements/activities should conform to the following basic principles:
 - Transparency, in that all corporate hospitality is reported and written approval is obtained, all records of which are properly kept;
 - Proportionality i.e. the corporate hospitality must not be too excessive. In addition, the corporate hospitality must commensurate with the recipient’s official capacity and not provided in his/her personal capacity;
 - Reasonableness in ensuring that the corporate hospitality is not excessive; and
 - Bona fide, where the intention to offer and/or provide the corporate hospitality is done with good and legal intentions.

2C(ii): Providing Corporate Hospitality

1. PETRONAS recognises that providing corporate hospitality to its stakeholders be it through corporate events, sporting events or other public events, is a legitimate way to network and build goodwill in business relationships.
2. It is customary for PETRONAS to issue complimentary invitations in the form of passes, tickets or invitations to third parties for events organized or sponsored by PETRONAS, its Group Companies as well as events organised or sponsored by external organisations.
3. The following are some of the examples of PETRONAS providing corporate hospitality:
 - any events sponsored or organised by PETRONAS;
 - any events organised by external organisations for the benefit of that organisation or charitable events.
4. While providing corporate hospitality is a reflection of PETRONAS' courtesy and goodwill, the respective HoD must exercise proper care to protect the Company's reputation against any allegations of impropriety or the perception of bribery especially when the arrangements could influence or be perceived to influence the outcome of a business decision and are not reasonable and bona fide expenditures.
5. There shall also be explicit, clear and internally transparent criteria to determine the selection of guests to be invited to a PETRONAS corporate hospitality event. Reasonable due diligence shall be exercised, particularly when the arrangements involve Public Officials.
6. There are various local and international anti-bribery and corruption laws that impose strict restrictions on the value and level of entertainment and corporate hospitality to be accorded to third parties, particularly when it is offered to Public Officials.

7. PETRONAS is committed to comply with applicable laws governing the provision of corporate hospitality to third parties, especially when it involves Public Officials, and therefore employees shall undertake the following:
 - a. to publicise and make clear the Company's policy on providing and receiving corporate hospitality;
 - b. to obtain all necessary approvals for the issuance of complimentary tickets or passes to corporate hospitality events in accordance with the PETRONAS Limits of Authority;
 - c. to expressly notify the recipients in writing that all complimentary tickets or passes are NON-TRANSFERABLE (e.g. the terms and conditions for use to be printed on the tickets, passes or invitations). In the event that the recipients are unable to attend, he/she is expected to return the tickets or passes to PETRONAS.
8. The unauthorised transfer of tickets or passes to persons other than the named recipient may signify to others that the invitation was extended to the recipient in his/her personal capacity.
9. All expenses incurred to provide the corporate hospitality shall be properly documented, receipted and recorded in the Company's records.

2C(iii): Receiving Corporate Hospitality

1. As a general principle, PETRONAS strictly prohibits employees, directors and other associated persons from soliciting corporate hospitality and they shall not accept hospitality that is excessive, inappropriate, illegal or given in response to, in anticipation of, or to influence a favourable business decision, particularly from parties engaged in a tender or competitive bidding exercise (for e.g. contractors, vendors, suppliers etc.).
2. Notwithstanding the above, PETRONAS recognises that the occasional acceptance of an appropriate level of hospitality given in the normal course of business is usually a legitimate contribution to building good business relationships. Employees, directors and other associated persons must exercise proper care and judgement before accepting the hospitality. This is not only to safeguard the Company's reputation, but also to protect employees and directors from allegations of impropriety or undue influence.
3. If you have any doubts on the appropriateness of a corporate hospitality offered by an external party for e.g. a contractor or supplier, you shall either decline the offer or consult your HoD, HR Department, the LCD, or your PETRONAS contact person. In the case of directors (executive and non- executive), you should seek the advice of your respective Company Secretary.

Did you Know?

- a. Corporate hospitality offered by parties currently engaged in a PETRONAS tender or competitive bidding exercise.
- b. Corporate hospitality offered that comes with a direct/indirect suggestion, hint, understanding or implication that in return for the corporate hospitality provided some expected or desirable outcome is required ("quid pro quo").

Part 3: Dealing with Public Officials

3A(i): Dealing With Public Officials

1. A 'Public Official' is defined in Part IIB paragraph 13.8 of the CoBE which includes, without limitation, public or government official, any person having public official functions or acting in a public official capacity, candidates for public office, officials of any political party, and officials of state-owned enterprises other than PETRONAS.
2. Caution must be exercised when dealing with Public Officials as the laws of bribery and corruption in some countries are more stringent and provide for stricter punishments. Providing gifts, entertainment or corporate hospitality to Public Officials or their family/ household members is generally considered a 'red flag' situation in most jurisdictions.
3. You shall not offer or provide travel related expenses, to Public Officials and/or their family/household members in connection with any transaction directly or indirectly relating to PETRONAS without permission from your HoD or your PETRONAS contact person, in consultation with the LCD.
4. You shall not pay or offer to pay for non-business travel and hospitality for any Public Official or his/her family/household members without permission from your HoD or your PETRONAS contact person, in consultation with the LCD.. Other PETRONAS policies and procedures on gifts, entertainment and corporate hospitality must also be abided with, copies of which can be obtained from your HR.
5. If approval is obtained for you to provide gifts, entertainment or corporate hospitality to Public Officials, you must ensure that the gift, entertainment or corporate hospitality is not excessive, and is commensurate with the official designation of the Public Official and not his personal capacity. You must also be aware of local laws governing the activity to ensure compliance. You shall seek guidance from your HR Department or the LCD prior to providing any gifts, entertainment or corporate hospitality to Public Officials.

3A(ii): Public Officials in Other Jurisdiction

1. Under anti-bribery and corruption laws in some jurisdictions, PETRONAS employees may be considered Public Officials because PETRONAS is state-owned.

In dealing with public officials, you shall not:

- circumvent any laws or policies with regards to gifts and entertainment, even if it means that PETRONAS might lose out on business opportunities as a result.
- entertain or approve any requests by the Public Official to transfer the gift or entertainment to any third parties as this may be perceived as bribery.
- provide gifts, entertainment or hospitality that are illegal or unduly dangerous, indecent, sexually oriented or disrespectful.
- act on your own accord when providing gifts and/or entertainment to Public Officials and always consult your HoD, HR Department or the LCD.
- conceal, alter, destroy, or otherwise modify any documentation that relates to entertainment or corporate hospitality accorded to Public Officials. All documentations (including invoices and receipts) shall be properly recorded and kept at all times.

**Part 4:
Social Impact
Activation (SIA),
Sponsorships and
Donations**

1. As a responsible corporate citizen, PETRONAS is committed to contributing to the well-being of the people and nation in the countries where it operates. It is however important that all Social Impact Activation (SIA), sponsorships and donations are made in accordance with PETRONAS policies and shall receive prior authorisation by PETRONAS Management or the Board.

4A: Social Impact Activation (SIA)

1. Given the nature of our business, PETRONAS is often asked by governments to contribute to SIA activities in the countries where we have operations.
2. As part of our commitment to corporate social responsibility and sustainable development, as a general matter, PETRONAS provides such assistance in appropriate circumstances and in an appropriate manner. However, such requests shall be carefully examined for legitimacy and not be made to improperly influence a business outcome.
3. The proposed recipient must be a legitimate organisation and you shall conduct appropriate due diligence, in particular to ascertain whether any Public Officials are affiliated with the organisation.

2. PETRONAS needs to be certain that all sponsorship and donations to any organization, charity, or beneficiary are not disguised illegal payments to Public Official, and shall ensure that the organization, charity or beneficiary does not act as a conduit to fund illegal activities in violation of anti-money laundering, anti-terrorism and other applicable laws.

 - The contribution is made on behalf of a Public Official;
 - There is a risk of a perceived improper advantage for PETRONAS in providing the sponsorship;

4. If the request comes from a high risk country (countries perceived to have high levels of corruption), or the proposed beneficiary is based in a high risk country, or the activity takes place in a high risk country or the proposed recipient is government owned or if a Public Official or their relative is involved and it is reasonably expected that a PETRONAS subsidiary may have business that could be influenced by that Public Official or the Public Official's agency, ministry or department, a memorandum shall be sent to GSRC for review as to whether or not the proposed investment/sponsorship or donation should proceed and if deemed necessary, the LCD shall be consulted to ensure compliance with anti-bribery and corruption laws.

Did you Know?

When it involves SIA activities, sponsorships or donations, you shall not:

- circumvent any guidelines, rules or procedures put in place by making charitable contributions as a camouflage for illegal payments.
- conceal, alter, destroy or otherwise modify any relevant information, which in the normal course of business, may raise potential red flags that would require additional investigation, particularly if it involves Public Officials. If you are unsure or have any concerns, please consult your HoD, your HR Department or the LCD. If the matter is still unresolved, ensure to escalate the matter further to GSRC.

This is crucial to ensure that no element of corruption is involved in the giving out of scholarships.

2. PETRONAS prohibits accepting or obtaining or attempting to accept or obtain, either directly or indirectly, facilitation payments from any person for yourself or for any other person who is subject to the CoBE. Offering, promising or requesting facilitation payments is just as prohibited as actually paying or receiving facilitation payments. The reason underlying this prohibition is that facilitation payment is seen as a form of bribery and corruption. This prohibition is clearly laid out in Part IIB paragraph 7 of the CoBE.
3. All persons subject to the CoBE shall not offer, promise, give, request, accept or receive, directly or indirectly, anything which might reasonably be regarded as a facilitation payment. If you receive a request or if you are offered facilitation payments, you shall report it to your HoD.

Part IIB paragraph 15.2 of the CoBE defines money laundering as occurring when the criminal origin or nature of money or assets is disguised or made to appear legitimate or when legitimate funds are used to support criminal activities, including the financing of terrorism or development of weapons of mass destruction. Offences covered by anti-money laundering legislation include prejudicing or obstructing an investigation and failing to report suspicious activity.
2. PETRONAS strongly objects to practices related to money laundering, including dealing with criminals or the proceeds of crime.
3. Money laundering is a serious crime and the laws governing this type of crime can have extra territorial effect, i.e. the application of the law is extended beyond local borders. Any violation of applicable anti- money laundering laws may result in administrative action, civil or criminal liabilities, including forfeiture of assets, disruption of business operations, breach of contractual obligations and significant reputational damage.
4. To avoid violating anti-money laundering laws, you shall always conduct appropriate counterparty due diligence to understand the business and background of your prospective business counterparties and to determine the origin and destination of money, property and services. You shall report to your HoD, the LCD or your PETRONAS contact person, any suspicious transaction or suspected incidents of money laundering or bribery. You should not try to investigate a case of anti-money laundering or bribery yourself. Your HoD generally will be responsible for decisions in this regard.

2. PETRONAS expects that all third parties acting for or on its behalf to share the Company's values and ethical standards as their actions can implicate PETRONAS legally and tarnish the Company's reputation. Therefore, where you engage third parties, such as contractors, agents, intermediaries or JV partners, you shall conduct appropriate counterparty due diligence to understand the business and background of PETRONAS' prospective business counterparties before entering into any arrangements with them to ensure that you are dealing with counterparties that subscribe to acceptable standard of integrity in the conduct of their business.
